THE ORGAN GRINDER

5 HR MOUNTAIN BIKE ENDURO

SUNDAY, JUNE 10TH, 2012
CANMORE NORDIC CENTER

THE RACE

We're back, and why not. The Organ Grinder has become a very popular race in it's first 2 years and we don't plan on disappointing you this year. This will be stop #2 in the Western Canada Enduro Series and points will be available for the Open Male/ Female categories

THE FORMAT

It's simple really, ride around our course as many times as you or your relay team can in 5 hours ... the one who does the most laps wins. There will be Solo Male, Female, and Male 40+ & Female 35+ Master categories as well as Relay Teams of two (male, female, mixed) and the prizes will be great.

THE COURSE

The course will stay largely the same as in past editions except we will make a couple of changes to make sure you get a taste of the fantastic new trails that have been built at the Nordic Center in 2011. The Ass Whupper trail may also need to be eliminated but we're hoping we don't have to do that. We will use a chunk of the previous days Iron Maiden XC course, but we will add on the lower trails that so many of you loved. You'll get the new Laundry Chutes, FYI, Dipped Cone, Soft Yogurt, Devonian Drop, Orchid Trail, but we will be eliminating the soul sucking Georgetown Climb. It will make for 5 hrs of Canmore's sweetest singletrack and we guarantee that you will not be disappointed!!

REGISTRATION & FEES

\$75 for Solo categories and \$70 per person for Relay Teams of 2 if you sign-up by Wednesday, June 6th. There will be a \$10 late fee for those registering after Wednesday, June 6th. Registration will close at 6pm, Saturday June 9th. There will be **ABSOLUTELY NO RACE DAY REGISTRATION**. Fees are non-refundable. Visit www.Zone4.ca to register. Registration will be capped at 300 total riders.

CANADIAN OLYMPIANS

2012 is an Olympic year and as a small gesture we will offer all current and past Canadian Olympians free entry to our races. Just indicate that you're an Olympian on the Zone 4 registration page and enter 'awesome' as your password.
